3. Driving your car

Security remains the single most important factor for our organisation in all our events. Therefore we urge you all to pay the highest attention and drive carefully both during race and at any other time.

During race it is of course absolutely prohibited to drive in the non-race direction or to deviate from the course if not instructed to do so by police or security staff. Dipped headlights should be switched on during driving. Always use the seat belts.

The organisation applies a zero limit rule for alcohol during driving. Tests might be carried out.

4. Environment

We all love cycling on all levels and to be able to enjoy it we need a clean and beautiful nature.

The organisation of Worldtour in Vårgårda continues to work in different fora and with different local and regional councils to promote cycling in all its different forms; as the best means of local transport, as recreation for all as well as environmental friendly and the best way to experience the beautiful Swedish nature.

During the WorldTour weekend we count on your support;

- Please do not litter anything during the race.
- Please respect all instructions concerning washing laundry, cleaning of bikes or team cars.

We appreciate your understanding and cooperation and hope you will enjoy our Worldtour races and our beautiful landscape for many years on.
